

ViewSonic® COMMERCIAL DISPLAY ACCESSORIES

VB-STND-008

Key Features

- Integrated ViewBoard on-screen control for better lesson delivery
- Electric tilt adjustment for effortless individual or group learning
- Motorized height adjustment for easy and fast access to ViewBoard
- Accessible design with large wheels for maximum mobility
- Smart space design to keep all cables and accessories organized

Product Description

The VB-STND-008 motorized trolley cart securely accommodates ViewSonic 55", 65", 75", and 86" ViewBoard interactive flat panel displays, or any similar displays weighing up to 75 kg. Thanks to integrated trolley's height can be easily adjusted using the ViewBoard app toolbar without class interruption. Designed for safety and equipped with 360-directional quiet wheels, this mobile cart lets you securely and easily move the ViewBoard display from room to room for easy sharing of resources..
